

2ND ANNUAL ST. BART'S DAY OF SERVICE

SAVE-THE-DATE: Saturday, May 4, 2024

We welcome all parishioners to participate in our 2nd Annual St. Bart's Day of Service! This is a collaborative way of expanding our outreach and generating interest and momentum for serving our communities via local organizations. Many members of St. Bart's already volunteer their time by working with organizations like Friendship House and St. Elizabeth's Essentials Pantry. Some of us hear about these things, but don't know how or when to get involved, or admittedly, we might be nervous about volunteering on our own without knowing anyone. The Day of Service is a specific day designed to help address those concerns and bridge that gap.

All you need to do is choose which of the 4 organizations you'd like to volunteer with for the day and sign up to attend. If transportation is a challenge, we can help organize carpools since a whole group of St. Bart's folks will be volunteering together at each location. This year's Day of Service is set for Saturday, May 4th. The times for volunteering vary based on location. At 1:00 pm, all participants are invited to come back to St. Bart's for a cookout and casual fellowship to share about their volunteer experience.

Leading up to the Day of Service, a representative from each organization will come to separate Sunday services in April to share with the parish more about what their group is and does and what volunteering will look like. We hope that information will help you decide which organization to volunteer with on the Day of Service.

This event is brought to you by a joint effort of the Outreach Committee, Fellowship Committee, and Youth Education Committee. Sign-ups will begin in April. If you have questions, please contact Catherine Richards (cmrolney@comcast.net), Peter Sillin (sillin@gmail.com), or Pal Covie (palcovie@gmail.com).
